Fire Inspection Report
Fire District Update
Fire District Incident Statistics

Mission Statement

The mission of the Butler Township Emergency Services Department is to provide the highest level of customer service to the community with highly professional, well-coordinated emergency services accomplished through training, education, planning and management of mitigation, preparedness, response and recovery from natural and man-made disasters.

Vision Statement

The Emergency Services Department of Butler Township's vision is to lead in all areas of Fire and Rescue Services, Fire and Life Safety Inspections, and Emergency Management by providing rapid, professional response to emergencies and providing leadership and education to the community.

Emergency Services Monthly Report

Fire Inspection Reports

Inspections Completed	100
Total Fees Collected	$5200.00

Common Discrepancy Areas	**Descriptions**
Fire Extinguishers	Fire extinguishers are not tagged by a 3rd party company
Electrical	Inappropriate use of electrical adaptors and/or extension cords
General Precautions	Storage of combustible materials within 30” of electrical devices.

Emergency Services
Monthly Report

Fire District Update

1. The Fire District members had two recruitment events. The first was a Job Fair at Butler Senior High School where members were able to speak to Juniors and Seniors about careers in the fire service. The second event was at Seneca Valley Senior High School for a Joint JROTC summer camp with several JROTC programs including cadets from Butler High School.

2. The Fire District took delivery of new Rope Rescue Equipment sourced through Rock-n-Rescue and CMC. This brings all the rope rescue equipment into NFPA compliance and is the best equipment available.

3. For the month of June the Fire District trained on Engine Company operations. These training evolutions enhanced the organizations ability to perform fire suppression activities. The training culminated with live fire training at BC3.

4. The Fire District took delivery of several new sets of turnout gear. Suppression firefighters were outfitted in the latest personal protective equipment.

5. The Fire District participated in two different public events. The first was a community day event hosted by Walmart. Over two days the Fire District raised funds for the Childhood Cancer Network alongside Walmart employees. The second was the Saxonburg Fireman's Carnival Parade. The Fire District received the "Best Appearing Aerial" award from the Parade.

Emergency Services Update

- The Director is working to update the website with an "After the Fire" resources page to aid residents in navigating the requirements following a fire.

- The Director is working as part of the County Fire Chief's association to educate county and local officials on the needs of the Fire Service. Additionally, the Fire Chief's association is looking to rebuild the Fire School weekend and bring in more outside, real-world training.

- The Director participated in both recruitment events listed above.

Emergency Response Statistics

Butler Ambulance Statistics

EMS Responses	Statistics
Total Dispatches	241

	AVERAGE FOR ALL CALLS	0:05:22

AGENCY	AVERAGE TIME ON SCENE (MM:SS)
Butler Township Fire District #3	30:05

Only Reviewed Incidents included. EMS for Incident counts includes only 300 to 399 Incident Types. All other incident types are counted as FIRE. CO Checks only includes Incident Types: 424, 736 and 734. # Apparatus Transports = # of incidents where apparatus transported. # Patient Transports = All patients transported by EMS. # Patient Contacts = # of PCR contacted by apparatus. This report now returns both NEMSIS 2 & 3 data as appropriate. For overlapping calls that span over multiple days, total per month will not equal Total count for year.
