

What is this \$10.00 PRCAP bill? I do not own Real Estate!

What is this tax?

This is a flat rate “per capita” or “head tax” levied on all residents of Butler Township 18 years of age and older. This is not a tax on real estate. The law permits Butler Township/Butler Area School District to use a “real estate” tax card to bill you. Property owners have this tax included on their real estate bills and are not billed separately. The tax has no connection with employment, income, voting rights or any other factor except residence within the community.

How often are they sent?

As of 2024 Butler Township has set their per capita tax to \$0.

Residents will now only receive one \$10 school per capita tax bill on August 1 every year.

I make under \$10,000 a year; do I have to pay?

Students and others meeting exoneration requirements must fill out the exoneration form and submit it to the Butler Area School District by their deadline. The school exoneration form can be found on the school district’s website <https://www.basdk12.org/departments/tax-office> beginning August 1 every year.
