Emergency Services Monthly Report

April 2024

Inside this issue:

Fire Inspection Report
Fire District Update
Fire District Incident Statistics

Mission Statement

The mission of the Butler Township Emergency Services Department is to provide the highest level of customer service to the community with highly professional, well-coordinated emergency services accomplished through training, education, planning and management of mitigation, preparedness, response and recovery from natural and man-made disasters.

Vision Statement

The Emergency Services Department of Butler Township's vision is to lead in all areas of Fire and Rescue Services, Fire and Life Safety Inspections, and Emergency Management by providing rapid, professional response to emergencies and providing leadership and education to the community.

Emergency Services Monthly Report

Electrical	Inappropriate use of electrical adaptors and/or extension cords
General Precautions	Storage of combustible materials within 30” of electrical devices.
Detection/Suppression System Test	Tests of both detection and suppression systems

Emergency Services
Monthly Report

Fire District Update

1. The Fire District is preparing for their annual Sportsman's Raffle. The event is on September 14th and the event is sold out!

2. The Fire District responded to 23 calls for flooded basements or rain related incidents (flooded roadways, basements, etc…) during the month of April.

3. The Fire District's Auxillary hosted their spring craft show. There were nearly 40 vendors and a few hundred visitors.

Emergency Services Update

- The Director has worked on and completed several Emergency Services / Fire District policies relating to Operations, Training, Safety, and Fire Prevention.

- The Director continues to meet regularly with the Fire Chiefs of Butler VA and Butler City to discuss responses, best practices, and evolving trends.

- The Director attended the Western PA Career Chiefs Association quarterly training. The educational portion of the training focused on Situational Awareness. Dr. Rick Gasaway was the presenter and has several decades of experience in evaluating the human brain’s response to situations. It was a very informative presentation about high-risk decision making.
