Fire Inspection Report
Fire District Update
Fire District Incident Statistics

Mission Statement

The mission of the Butler Township Emergency Services Department is to provide the highest level of customer service to the community with highly professional, well-coordinated emergency services accomplished through training, education, planning and management of mitigation, preparedness, response and recovery from natural and man-made disasters.

Vision Statement

The Emergency Services Department of Butler Township's vision is to lead in all areas of Fire and Rescue Services, Fire and Life Safety Inspections, and Emergency Management by providing rapid, professional response to emergencies and providing leadership and education to the community.

Emergency Services Monthly Report

Butler Township
INCORPORATED 1804

Fire District Update

1. The Fire District participated in the Butler Area Community Day. Crews provided standby for the Fireworks and interacted with the public. They also landed a helicopter for the event.

2. The Fire District hosted a Water Rescue for the First Responder Class on July 15th. This course familiarizes responders with how to respond to incidents involving water rescues.

3. The Fire District provided a standby crew in the Township for the duration of the Trump Rally. There were also three members augmented to the County HazMat Team inside the event.

4. The Fire District had a crew attend the funeral of retired Chief of Buffalo Twp VFD – Corey Comperatore.

5. The Fire District was invited to attend the Lowrie Place Car Cruise. The Fire District was the benefactor of the event receiving a $2000 donation from the event.

Emergency Services Update

- The Director continues to meet regularly with the Fire Chiefs of Butler VA and Butler City to discuss responses, best practices, and evolving trends.

- The Director attended the Butler Area Community Day.

- The Director witnessed an alarm system test and Fire Pump test at different facilities in the Township.

- The Director assisted the Fire District by participating in their VFIS Insurance Risk assessment, and by facilitating the Fire Alarm System test at Meridian.

- The Director participated in a Voice of Customers Experience hosted by MSA for changes to their SCBAs.

- The Director participated a pre-incident walkthrough at Cliffs for an upcoming response drill at their facility.

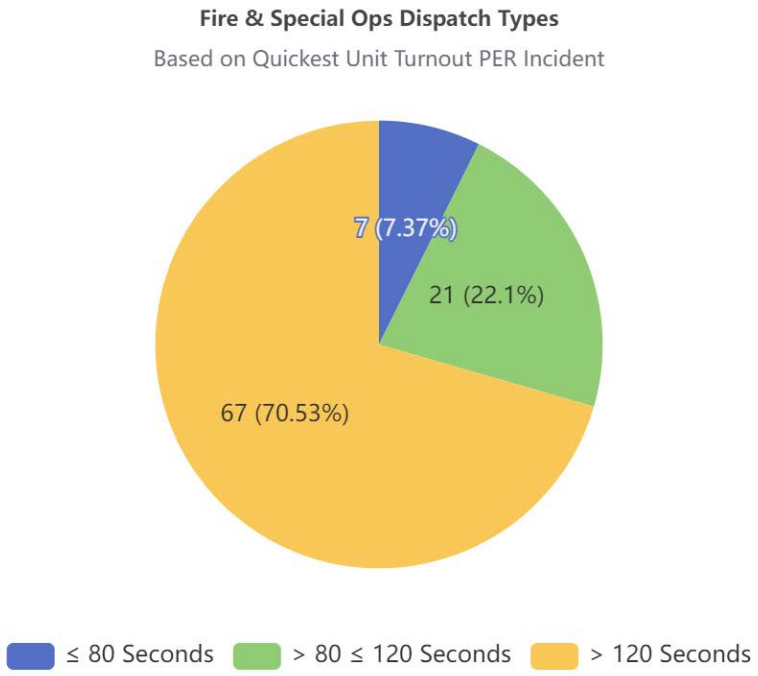

Figure 1 – July 2024 Stats

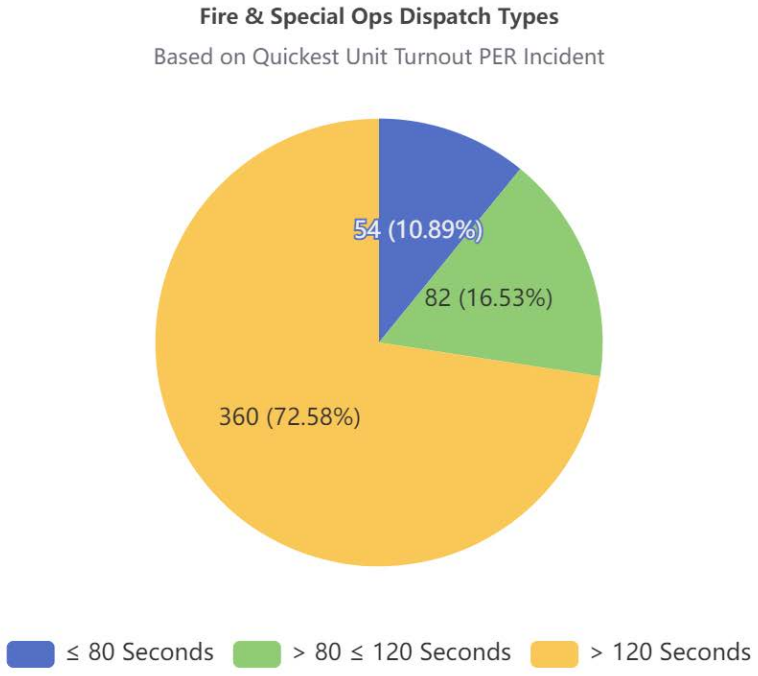

Figure 2- 2024 YTD As of August 15, 2024

Summary:

This report shows the turnout time for Fire and Special incident types. NFPA 1710 recommends an 80 second turnout time. Turnout time compliance is a metric that would solidify the value of a staffed station model.

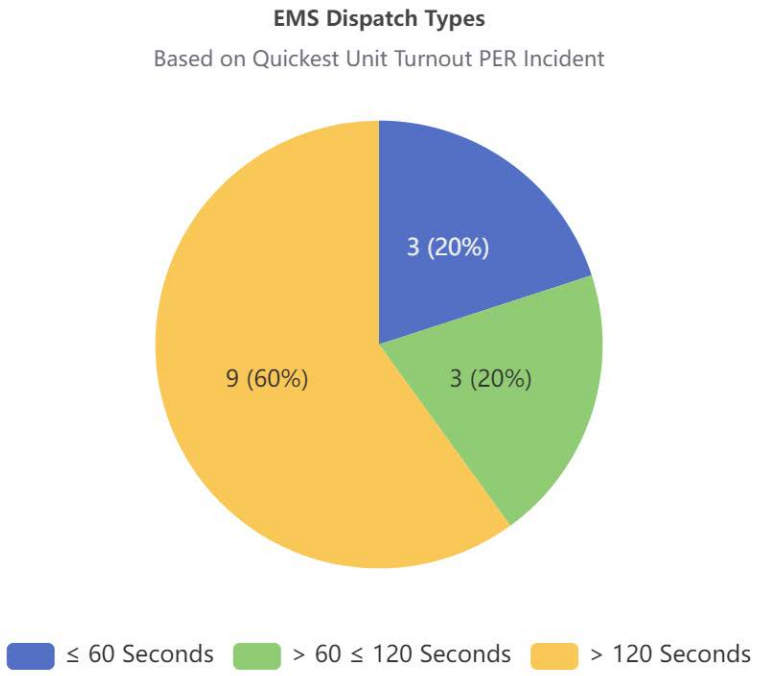

Figure 3- July 2024

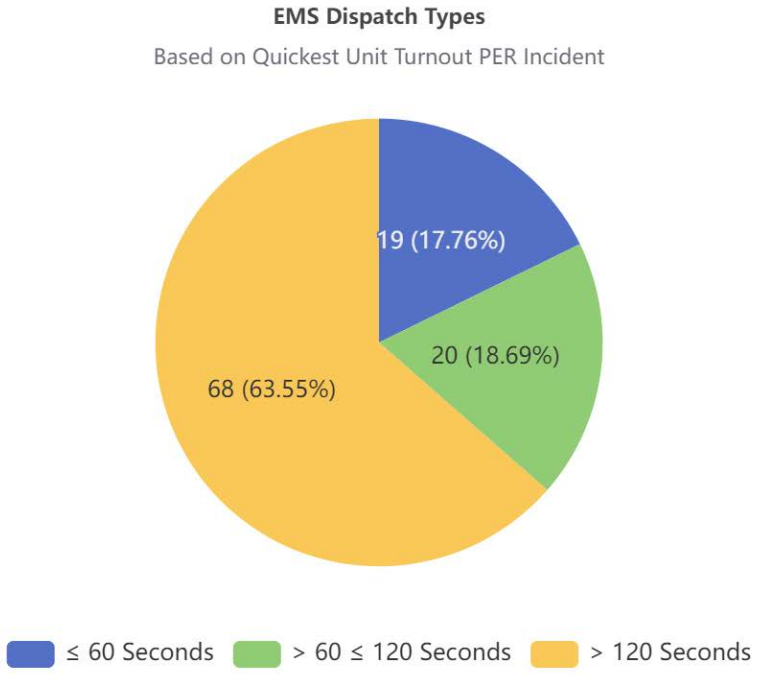

Figure 4- 2024 YTD As of August 15, 2024

Summary:

This report shows the turnout time for EMS/Rescue incidents. NFPA 1710 recommends a 60 second turnout time. Turnout time compliance is a metric that would solidify the value of a staffed station model.

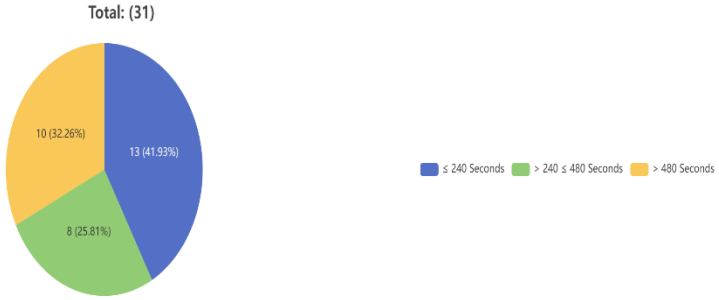

Figure 5- June 2024

Summary:

This report shows the travel time from going enroute to arriving on scene. NFPA 1710 recommends a 480 second response time for Fire and special operations dispatches. For May of 2024 - 9 Incidents had a less than 240 second response, 6 incidents between 240 and 480 seconds, and 7 incidents greater than 480 seconds.
