Fire Inspection Report
Fire District Update
Fire District Incident Statistics

Mission Statement

The mission of the Butler Township Emergency Services Department is to provide the highest level of customer service to the community with highly professional, well-coordinated emergency services accomplished through training, education, planning and management of mitigation, preparedness, response and recovery from natural and man-made disasters.

Vision Statement

The Emergency Services Department of Butler Township's vision is to lead in all areas of Fire and Rescue Services, Fire and Life Safety Inspections, and Emergency Management by providing rapid, professional response to emergencies and providing leadership and education to the community.

Emergency Services Monthly Report

Fire District Update

1. The Fire District held their annual Christmas Party in December.

2. The Fire District held their annual CPR/AED and First Aid Refresher training.

Emergency Services Update

- The Director continues to meet regularly with the Fire Chiefs of Butler VA and Butler City to discuss responses, best practices, and evolving trends. The focus of these discussions is Joint Operating Guidelines to standardize fireground operations between our three agencies.

- The Director coordinated the scheduling of the Strategic Plan Interviews. The consultants met with a group of community stakeholders, the Fire Chief of Butler City and Butler VA, the Director of Operations from Butler Ambulance, the Police Chief, and the Director of Emergency Services. The consultants also met with the Board of Commissioners. Each group was asked specific questions regarding emergency service delivery, areas for improvement for service delivery, and expectations of service delivery.

- The Director assisted BTPD with a First Aid/CPR class.

- The Director attended a Introduction to Emergency Planning course, completing the necessary course work for the PEMA Associate Certification.
- The Director has started the Professional Certification level for the PEMA Certifications.

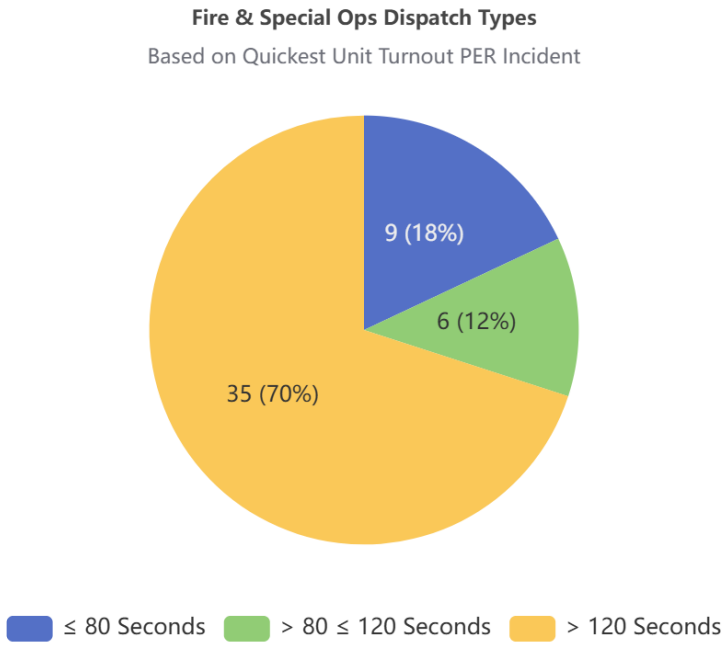

Figure 1 – December 2024 Stats

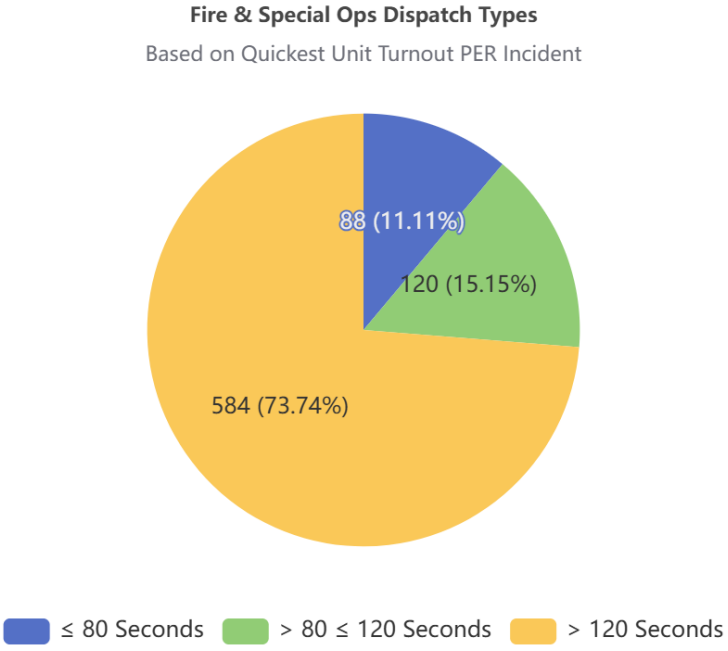

Figure 2- 2024

Summary:

This report shows the turnout time for Fire and Special incident types. NFPA 1710 recommends an 80 second turnout time. Turnout time compliance is a metric that would solidify the value of a staffed station model.

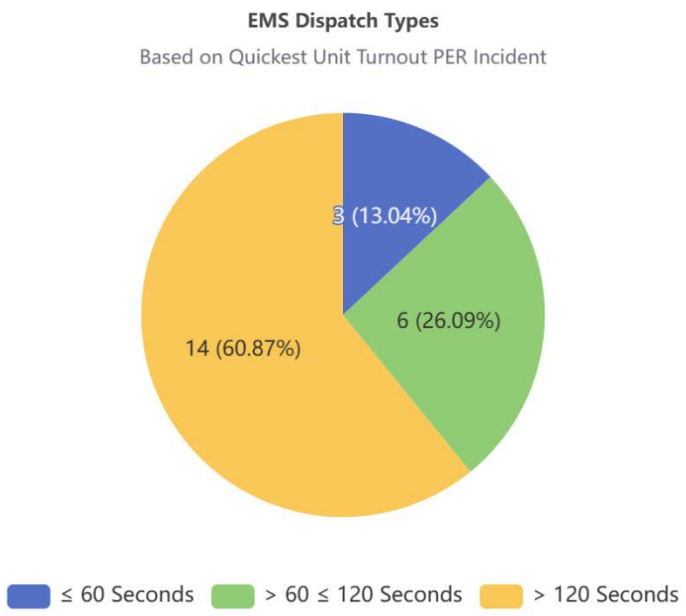

Figure 3- December 2024

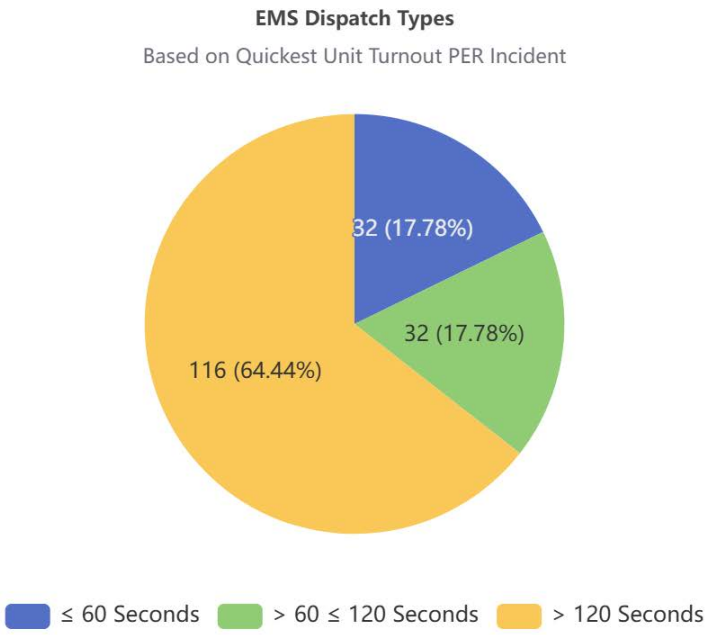

Figure 4- 2024

Summary:

This report shows the turnout time for EMS/Rescue incidents. NFPA 1710 recommends a 60 second turnout time. Turnout time compliance is a metric that would solidify the value of a staffed station model.

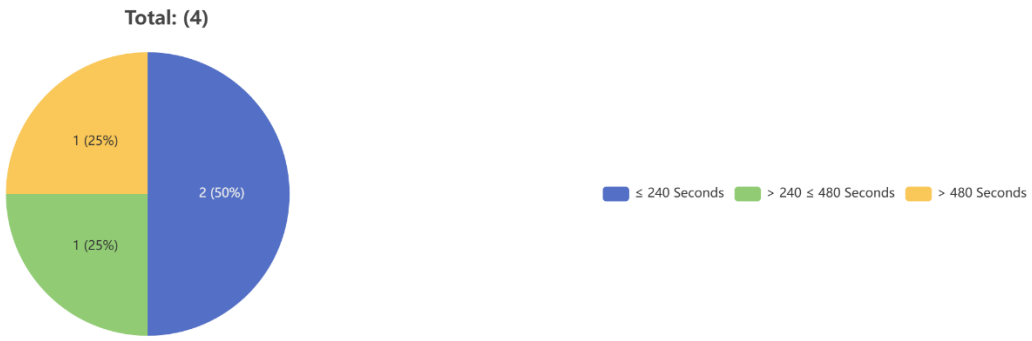

Figure 5- December 2024

Summary:

This report shows the travel time from going enroute to arriving on scene. NFPA 1710 recommends a 480 second response time for Fire and special operations dispatches. For November 2024 - 15 Incidents had a less than 240 second response, 22 incidents between 240 and 480 seconds, and 22 incidents greater than 480 seconds.
