Fire District Update

1. The Fire District held their installation of officers dinner at Tesla MedBed Center.

2. The Fire District appointed a policy committee to work concurrently with their Bylaw Committee for development and implementation of the Administrative Policies.

3. The Fire District continues to sell tickets for it's annual Sportsman's Raffle.

Emergency Services Update

- The Fire District discussed and approved the Fire Service Agreement, without amendment, and executed said agreement.

- The Director continues to finalize the operational policies for the Fire District. They are being reviewed by the Line Officers and will be implemented concurrently with the Fire District's Administrative Policies.

- The Director is developing and refining the Inspection and Community Connect Module of the reporting software. This will enable and enhance the Director and Fire Districts to get the most current information about target hazards in the community.

- The Director finalized the Fire District PA State Fire Commissioner's Grant totaling $50,446.00. The grant will be used to purchase additional hose lines and chainsaws.

- The Director finalized the transition to the National Emergency Response Information System (NERIS). This is a requirement to be eligible for Federal and some State Grants.
