Fire Inspection Report
Fire District Update
Fire District Incident Statistics

Mission Statement

The mission of the Butler Township Emergency Services Department is to provide the highest level of customer service to the community with highly professional, well-coordinated emergency services accomplished through training, education, planning and management of mitigation, preparedness, response and recovery from natural and man-made disasters.

Vision Statement

The Emergency Services Department of Butler Township's vision is to lead in all areas of Fire and Rescue Services, Fire and Life Safety Inspections, and Emergency Management by providing rapid, professional response to emergencies and providing leadership and education to the community.

Fire District Update

1. The Fire District Assisted with the Easter Egg Hunt at the Lyndora American Legion.

2. The Fire District had a few members attend training at the Butler VA. Crews focused on hose line advancements and search and rescue.

3. The Fire District made changes to their stipend program. These changes align staffing and the stipend payments to optimize staffing availability.

4. The Fire District Auxiliary is planning their spring craft show for the end of April.

Emergency Services Update

- The Director worked closely with the Deputy Fire Chief to modify the stipend program.

- The Director continues to finalize the operational policies for the Fire District. They are being reviewed by the Line Officers and will be implemented concurrently with the Fire District's Administrative Policies.

- The Director is preparing to launch the inspection and Community Connect module in April of 2026.

- The Director participated in the live fire training at the Butler VA.

- The Director continues to work as part of the Butler County Fire Chief's Association to plan the annual Jimmy Ellis Training weekend.

- The Director coordinated delivery of the Smoke/CO detectors from the Hodge Fund. Detectors have been placed in the fire apparatus to replace the malfunctioning detectors found on incidents.
