Fire Inspection Report
Fire District Update
Fire District Incident Statistics

Mission Statement

The mission of the Butler Township Emergency Services Department is to provide the highest level of customer service to the community with highly professional, well-coordinated emergency services accomplished through training, education, planning and management of mitigation, preparedness, response and recovery from natural and man-made disasters.

Vision Statement

The Emergency Services Department of Butler Township's vision is to lead in all areas of Fire and Rescue Services, Fire and Life Safety Inspections, and Emergency Management by providing rapid, professional response to emergencies and providing leadership and education to the community.

Fire District Update

1. The Fire District Auxiliary hosted their Spring Craft Show at the Fire Station.

2. The Fire District participated in a Joint Burn training with Butler City and Unionville Volunteer Fire Department.

3. The Fire District has several members on the County Hazardous Materials who conducted their recertification test through PEMA.

4. The Fire District participated in an escort for Captain Mike King from Oneida Valley VFD, who was returning home after being seriously injured on an incident in March.

Emergency Services Update

- The Director provided the Annual Fire Safety Training to the Surgery Center and conducted an annual safety inspection of Community Care Connections Group Home in the township.

- The Director launched the Community Connect Module for the Reporting Software. This allows residents and businesses to create a secure profile, upload and update critical information pertinent to responses for their residence or businesses.

- The Director reviewed a new module for the Reporting Software that would require Fire and Life Safety System Service contractors to upload their reports into the system. This change to the program would reduce the deficiencies related to recurring fire and life safety system inspection, testing, maintenance requirements.

- The Director attended the Butler County EMS Council meeting where a new patient tracking system was being used for the NFL Draft.
