Fire Inspection Report
Fire District Update
Fire District Incident Statistics

Mission Statement

The mission of the Butler Township Emergency Services Department is to provide the highest level of customer service to the community with highly professional, well-coordinated emergency services accomplished through training, education, planning and management of mitigation, preparedness, response and recovery from natural and man-made disasters.

Vision Statement

The Emergency Services Department of Butler Township's vision is to lead in all areas of Fire and Rescue Services, Fire and Life Safety Inspections, and Emergency Management by providing rapid, professional response to emergencies and providing leadership and education to the community.

Fire District Update

1. The Fire District had a crew and several staff members assist at the Voegler Memorial Training Weekend hosted at BC3 PSTF. Crews responded to various fire and rescue incidents to expose responders to as realistic training scenarios as possible.

2. The Fire District attended the Flag Day ceremony hosted at the Memorial between the Lyndora Fire Station and the Post Office.

3. The Fire District participated in the Saxonburg VFD Parade to kick off their Carnival and the Community Safety Event hosted at Walmart.

4. The Fire District voted and approved the Bylaws recommended by Delta Development.

Emergency Services Update

- The Fire Chief, and several members of the Fire District met to discuss the implementation of the Emergency Services Strategic Plan. Topics included the objectives outlined in the Plan, as well as future integrations between the township and Fire District.

- The Fire Chief met with a Professional Code Services to discuss the company performing fire and life safety inspections in the township. The Fire Chief also met with First Due to implement the *Inspection, Testing and Maintenance* module to track recurring Fire and Life Safety System requirements. This will decrease the reinspection rate, as well as ensure compliance of those systems on the applicable, recurring schedule.

- The Fire Chief supported the Fire District's efforts to purchase a Command vehicle, including sourcing quotes for vehicle purchasing, coordinating upfitting quotes, and finalizing the specifications through the Fire District Officers and vendors. This command vehicle will support emergency response, incident command and ensure safety of responders by separating PPE from the passenger compartment of the vehicle.

- The Fire Chief presented Fire Extinguisher training to the staff at the Addison at Lowrie Place.
